WELCOME~ בְּרוּכִים הַבָּאִים

Reading Torah, Haftorah and receiving an Aliyah, are truly a unique experience that brings joy to those involved. The Torah, not just a religious text, but a sacred and ancient document that holds immense significance for our Shaarey Tzedek community. When individuals have the opportunity to read from the Torah or receive an aliyah, they are not only connecting with their heritage, but also participating in a centuries-old tradition. The experience of reading from the Torah or being called up for an aliyah is often accompanied by a sense of pride and fulfillment. It is a moment of unity and celebration, as the entire congregation witnesses and supports the individual's engagement with their Judaism. It is no wonder that those who participate in these rituals often finish with a smile on their faces, as they have experienced a profound connection to their religious identity and community. Thank you to Cantor Waghalter for your lovely chanting and to our Torah readers; Phil Goldfeder, Summer Golden and Rabbi Deborah. To our amazing haftorah reader Sol Sachs. In addition to the Aliyah recipients: Janessa and Thomas Welch, Steven Schmulson, Joseph, Melanie and Hanna Benperlas, Harvey Stein, Joann and Steve Rubin, Ruth Loupo Byron as well as Don Schlossberg. Our community continues to grow stronger from your commitment to tradition, legacy as well as from your knowledge.

It's always uplifting to come together as a community for prayer, *Shabbat* meals, holy days, and *havdallah*. It was an absolute delight to celebrate our first baby naming together~ Hannah, Melanie and Joe's precious and adorable daughter! We wish them much joy and sleep and look forward to watching Hannah slowly grow and develop into who she is meant to be! And it's comforting and meaningful to come together as a community to remember our loved ones. Thank you Ruty for sponsoring Shabbat lunch in memory of your precious parents and brother; Ariea Unger z"l , Flora Unger z"l & Eitan Unger z"l . We also send heartfelt condolences to Dawn and Brian on the passing of Dawn's father Dale Haines on June 19.

July 7th begins the Hebrew month of *Tammuz*. On the 17th of *Tammuz*, this year July 23rd, tragedies occurred at different times in our history, including Moses' breaking of the tablets on Mt. Sinai in response to the Golden Calf, the breaching of Jerusalem's walls before the destruction of the 2nd Temple in 70, and the burning of a Torah by a Roman general named Apostamos, setting the sad pattern of Jewish book burning throughout our history. The three weeks between the 17th of *Tammuz* and *Tisha B'Av*, the 9th day of *Av*, this year on August 13, are a time of national Jewish mourning in which traditionally weddings do not take place and we don't get haircuts.

Wishing our children a wonderful summer vacation!

May we enjoy the summer despite the dog days and stay as cool as possible,
Rabbi Deborah
