WELCOME ~ בְּרוּכִים הַבָּאִים

May was truly a delightful month for Shaarey Tzedek! We had a wonderful Shabbat dinner that everyone enjoyed. Huge thank you to Gail Sherman for the delicious vegetarian lasagna, and all those that provided dessert items!

We also welcomed Lev Rafael Benperlas to our synagogue community, and it was heartwarming to see his family; parents Melanie and Joe, grandparents, aunts, uncles, siblings and friends, come together for such a beautiful ceremony for his Brit Milah and naming.

And who could forget our fantastic Shabbat Shavuot followed by a spectacular Oneg. We celebrated Harvey's birthday with an amazing ice cream spread that had just about every topping you could think of. A special thanks to Marti and Harvey's kids for sponsoring such a lovely gathering!

One of the things that really stands out about our synagogue is the incredible sense of community we've built. Everyone supports each other, whether through attendance, financial contributions, ritual, or simply lending a helping hand. It's inspiring to see how we've transformed from a small house of prayer into a robust community where we celebrate together, support one another, and offer assistance whenever it's needed.

Thank you all for being a part of Shaarey Tzedek and for helping

Great appreciation to our choir for their participation

What a festive Friday night service and celebration we had over Memorial Day weekend for Harvey's birthday and Harvey and Marti's granddaughter Sarah's high school graduation!

Looking forward to our two *Shabbat* services this month- Friday night June 5th and our *Shabbat Kodesh* service Saturday, June 20th with Cantor Renee. Please plan to join us for both services if you are in town, since summertime is a busy travel time and we want to be sure we have more than a minyan!

The Hebrew month of *Tammuz* begins on June 16, and it is traditionally a sad time, especially beginning with the 17th of *Tammuz* which begins July 2nd~ more about that in next month's blurb.

Did you know that the first half of any Hebrew month is traditionally considered a wonderful time to get married? Why you may ask. The moon is becoming larger and emanating more light, so marrying during this time is filled with hope for a couple's love, success and family to increase, just like the moon's light!

Happy beginning of summer, especially to our schoolchildren enjoying their summer vacation!

Warmly, Rabbi Deborah
