## WELCOME~ בְּרוּכִים הַבָּאִים

As you can imagine, we have been on an incredible journey this past year. It is almost unimaginable that one year ago we only had a vision, mission and a desire to open a Conservative Synagogue in Montgomery County. Somehow G-d's will and the incredible generous donations from the community turned a dream into the reality that we have been able to develop today. Having different skills and abilities, we were able to place our love, efforts and energies into the establishment of *Shaarey Tzedek* and initiate our presence of Conservative Judaism in Montgomery County.

In less than a year, we are now the proud beneficiaries of two *Aron kodesh*, a *bimah*, its cover, 3 *torahs*, a *Yartzeit board* and now a dwelling that we can call our permanent home. We will continue to evolve through the development of quality events and programs to fulfill the needs of our community.

We foresee weekly *Shabbat* services, continuation of incredible *onegs*, Saturday *Minyans*, Jewish celebrations, Hebrew, *B'nai Mitzvah* training, Judaica studies for children as well as adult education programs.

We appreciate you all joining us for *Rosh Hashana*, as well as our Friday night *Shabbat*. We look forward to *Kol Nidre*, *Yom Kippur* and *Break Fast*; with the incredible expertise of Rabbi Deborah and Cantor Neil.

Wishing everybody a *Shanna Tova*, a happy healthy new year.  
May we all be inscribed in the book of life!

L: Sol Sachs with our portable *Aron Kodesh*, *Ner Tamid* and *Bimah*.  
R: *Yartzeit* Board.

There is so much to celebrate about *Shaarey Tzedek's* short and powerful beginning. How lovely to welcome 5783 together! And in a few short days we'll be observing Yom Kippur.

A reminder for all of you who would like to bring framed pictures of our loved ones who are no longer physically with us. We will display these pictures for all of Wednesday's *Yom Kippur* services on two tables on either side of the bimah. It's a beautiful way to remember and honor the memories of our departed loved ones. I find it comforting to look at these pictures during Yom Kippur, reminding me on this holy day that I'm part of a legacy much larger than myself, drawing comfort that I'm a small part of a beautiful generational chain.

One more reminder- this one about clothing for Yom Kippur. While you are free to wear whatever you'd like, it's traditional to dress in white and not wear leather. It's not uncommon to see people wearing sneakers, as most of them are not made with leather these days. After trying numerous pairs of vegan shoes, I've opted for the comfortable option of sneakers for *Yom Kippur*.

*Shabbat Shalom* and wishing us all a *g'mar hatimah tova*,  
Rabbi Deborah

Our terrific *Shabbat* with Rabbi Deborah and Cantor Neil,  
and another spectacular apples and honey oneg.
